

UNITED STATES DISTRICT COURT
NORTHERN DISTRICT OF CALIFORNIA

JIMMIE STEPHEN,

No. C 10-349 SI (pr)

Petitioner,

ORDER OF DISMISSAL

v.

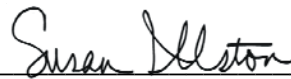

JUSTICE REINHARDT; et al.,

Respondents.

Petitioner's motion for appointment of counsel is DENIED. (Docket # 8.) The action was dismissed as frivolous before he filed his motion. Having the assistance of an attorney would not enable him to overcome the fact that his petition was frivolous.

IT IS SO ORDERED.
